Alumni Meet Report – Bangalore Chapter (2023)

The SSIPMT Alumni Association organized a **Bangalore Chapter Alumni Meet** in **2023**, bringing together alumni working across various organizations in and around Bangalore. The meet served as an important initiative to strengthen the institute's alumni network in one of the major professional hubs of the country.

The primary objective of the meet was to foster engagement among alumni, encourage professional networking, and maintain a strong connection between the alumni and SSIPMT. Alumni from different batches and branches participated and shared their career journeys, industry exposure, and valuable experiences.

The interaction provided a platform to discuss opportunities for alumni contribution towards the institute, including student mentoring, internships, guest lectures, and placement support. Alumni also showed interest in staying actively involved in institutional activities and supporting future initiatives.

The meet facilitated meaningful discussions, helped reconnect alumni with their peers, and reinforced their association with SSIPMT. It also contributed towards building a stronger and more structured alumni presence in Bangalore.

Overall, the Bangalore Alumni Meet 2023 was a significant step in enhancing alumni engagement and strengthening the SSIPMT alumni network.
