To,
 The Principal
 Shri Shankaracharya Institute of Professional Management & Technology,
 Old Dhamtari Road, Mujgahan,
 P.O. Sejbahar, Raipur-492015,
 Chhattisgarh

Subject: Further accreditation status on the basis of Compliance Report of the program in Tier II offered by Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh.

Sir,

This is regarding Compliance Report submitted by Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh for the UG Engineering program which was accredited by NBA in Tier-II for academic years 2019-20 to 2021-22 whose validity of accreditation has expired on 30.06.2022.

2. An Expert Team conducted data verification of the program on 04th June, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II June, 2015 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for further 3 years. Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh should submit fresh online application through eNBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to Shri Shankaracharya Institute of Professional Management & Technology, Old Dhamtari Road, Mujgahan, P.O. Sejbahar, Raipur-492015, Chhattisgarh as a whole. As such the Institution should mention its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the date on which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Dear Rakesh Singh, Dhundhel,

Your request for Institutional registration facility in NDL is approved. Please register all the users (students, research scholars, faculty members and staff) of Shri Shankaracharya Institute of Professional Management & Technology, who are not yet registered in NDL, by clicking the "Add User" button of the NDL portal available to you after you login to NDL (<https://ndl.itkgp.ac.in>)

There are two options: Single User Registration and Bulk User Registration. Single User Registration is self-explanatory. For Bulk User Registration please prepare CSV file, strictly as per the following format, and then upload the file:

- e-mail id (of user)*
- First Name (of user)*
- Last Name (of user)

Note that the e-mail id and First Name are mandatory for each person but Last Name is optional. Also there should not be more than 1000 (One Thousand only) users in a CSV file. The registration process gets completed once the registration mails are sent to all the users listed in the file. It may take some time to complete this mail sending process and you may observe the status in the tab "Status".

In case you need to register more than 1000 users, please do this by making multiple files, each file not
