ABOUT US

Affiliated to Chhattisgarh Swami Vivekanand Technical University, Bilhail Approved by AICTE, New Delhi

Situated in the capital city of Chhattisgarh, SSIPMT Raipur has become an insignia amongst the technical institutions in Central India. SSIPMT Raipur is the only institute in the region that has been conferred upon the prestigious 5S Certificate. SSIPMT fosters an understanding of technical and management education to harvest skilled engineers and efficient managers for the society. The global competitive market requires innovation, transformation, application of bold methodologies and the knowledge and determination to challenge conventional practices. SSIPMT, Raipur has toiled day and night to achieve this aim. We transform the raw minds into professionals through our focus on education, research and training practices to support the students gain the knowledge to renovate and the power to succeed.

Our commitment is to make every student of the institute ready to take professional stresses skillfully without being subjected to anxiety issues. We develop an urge for "Nothing less than the best" through constant motivation. Our work culture is continuously being innovated and refreshed to reflect the latest developments in technology and trends. Pure academics are appended with arduous co-curricular activities to generate an all-round development of the students.

SSIPMT strives to be an institute of global eminence and an exciting place for learning that imparts outcome-based innovation-driven education to nurture value-based competent professional leaders for the development of the society at large and the region in particular.

The institute is devoted to impart multidimensional learning and productive interface between the industry and institute to mould young minds into accountable and ethical leaders who will contribute to the Nation's prosperity.

ABOUT MANAGEMENT

Shri I.P. Mishra
B.E. (Hons.) (Mechanical)
Ex-GM, Bilhail Steel Plant
President, SGES

The President of the society - Shri I.P. Mishra is an eminent technocrat and a distinguished educationist of the State. He has been the lighthouse in the development of Technical Education in State. His relentless efforts in the field of higher education have brought rich laurels & have helped establish private Engineering Institutes in the State.

"A good Institute is your passage to a bright future"

Nishant Tripathi
B.E. (Civil)
Chairman (BoG) SSIPMT, Raipur
Secretary, SGES

He is the man on a mission. His indomitable spirit to contribute to nation building reflects in everything he does. Under his able leadership, SSIPMT, Raipur has fast been spearheading towards the pinnacle of success. He has an immense focus on quality education & making students industry-ready. His advice to the youth is to wake-up & abide by the words of Swami Vivekanand ji:

"Arise, Awake & Stop not till goal is reached"

Gurinder Pal Singh
MBA (IIM Ahmedabad)
Member, Governing Body,
SSIPMT, Raipur

He comes with over 18 years of experience working with India's top IT organisations at various leadership roles and has been on the advisory board of various Universities/ Prestigious Institutes in India and USA. He has been a pioneer in setting up Centers of Excellence and Incubation Centers in various academic institutes, which have resulted in industry-ready human capital for the organisations, besides creating successful entrepreneurs.
