4. Event / Activity Write-Up

The Training & Placement Office of SSIPMT, Raipur, successfully organised *Vyoma – HR Conclave 2025* under the banner of *Samvaya 2025* on 10 November 2025. The conclave was specifically curated for Civil and Mechanical Engineering students with the objective of aligning academic learning with real-world industry expectations.

The event witnessed the presence of eminent HR leaders and industry experts from leading organisations including **L&T, TATA Hitachi, Godawari GPIL, Shree Cement Ltd., and TAFE**. The speakers shared valuable insights into emerging job roles, technical competencies, behavioural skills, and evolving industry trends across construction, manufacturing, mining, cement, and heavy machinery sectors.

The conclave commenced with a formal inaugural ceremony, including lamp lighting and welcome addresses by institute leadership, followed by keynote speeches centred on industry–campus collaboration. A highly engaging panel discussion highlighted the technical, managerial, and professional skills expected from young engineers.

The *Student HR Connect* session provided an interactive platform for students to directly engage with HR professionals, seek career guidance, and understand recruitment processes, internships, and growth pathways. Subsequently, a dedicated interaction session with HODs, faculty members, and TPOs enabled discussions on curriculum relevance, training needs, and future collaboration opportunities.

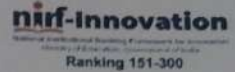

The event concluded with the valedictory session, memento distribution, and a vote of thanks. Overall, *Vyoma – HR Conclave 2025* proved to be a significant step towards bridging the gap between academia and industry, reaffirming SSIPMT's commitment to producing industry-ready graduates.
